ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Washington State Medical Association and Washington State Radiological Society. The WSMA is accredited by the ACCME to provide continuing medical education for physicians.

The WSMA designates this educational activity for a maximum of 5 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

OBJECTIVES

- Recognize the salient features of the National 2009 Health Care Reform Legislation
- Summarize the known and possible affects of the Health Care Reform on the practice of Radiology
- Measure the value the potential role of small portable ultrasound to improve maternal and fetal health care in third world countries
- Summarize how technology assessment is used to determine health policy in WA State
- Properly apply evidence based medicine to medical procedures in order to effect reimbursement
- Apply a policy for communication of diagnostic imaging findings based upon the ACR guideline
- Discuss strategies for increasing patient compliance in regard to recommended tests
- Identify what Radiologists may need to do to be a part of their team/ patient centered care
- Apply what the ACR is doing in regard to Health Care Reform and Education for residents and practicing radiologists at the new ACR Education Center
- Analyze Public Policy issues being discussed pertaining to radiology
